

AFTERNOON TEA

A selection of afternoon tea savouries, cakes and scones with clotted cream and preserves

£20 per person
Additional finger sandwiches £3.50

Includes your choice of tea:

ENGLISH BREAKFAST TEA

A true classic. It's full flavoured and deeply satisfying blend, made with bright African teas and malty Assam teas.

EARL GREY TEA

The elegant fragrance of the bergamot fruit gives Earl Grey its famous flavour. A balance of beautiful citrus with light delicate teas from Africa and high-altitude teas from India.

HERBAL GREEN TEA

The perfect balance, with a taste of the lush green highlands of Nandi Hills in Kenya's Rift Valley.
A truly light and subtle flavoured green tea – fresh tasting and delicate.

VEGAN AFTERNOON TEA

A selection of vegan afternoon tea savouries, cakes and scones with cashew cream and refined sugar free preserves

£20 per person
Additional finger sandwiches £3.50

GLUTEN FREE AFTERNOON TEA

A selection of afternoon tea savouries, gluten-free cakes and scones with clotted cream and refined sugar free preserves

£20 per person
Additional finger sandwiches £3.50

SPECIALITY TEA

Award-winning, healthy, herbal teas inspired by the chakras and blended for balance

THRIVE – Hibiscus, Strawberry and Cinnamon

The root chakra is the building block for all the chakras and is associated with the blood and bowel function. Hibiscus is well know to lower blood pressure and cinnamon promotes heathy circulation.

INSPIRE – Peppermint, Cornflowers and Sage

The throat chakra is associated with communication and expression. Peppermint can aid digestion. Liquorice can sooth the throat with Echinacea warding off colds.

ACHIEVE – Yerba mate, Lemongrass, Fennel

The solar plexus chakra is associated with willpower, ambition and the digestive system. Yerba mate can provide an energy boost while lemongrass and ginger are popular digestive aids.

LOVE – Chinese Jasmine Green Tea and Rose

The heart chakra is associated with LOVE. Compassion and the circulatory system. Green tea can help boost your metabolism and ginkgo Biloba can improve circulation. Jasmine and rose are associated with love and romance.

CONNECT – Honeybush, Rooibos and Chamomile

The crown is associated with the brain, the nervous system and universal consciousness. Chamomile helps promote sleep. Honeybush is soothing and relaxing.
